Attn: Chief of Mission, [REDACTED]  
Office of General Counsel

25X1A - Administrative

REFERENCE: [REDACTED]

1. We concur in the comments and recommendations contained in the reference dispatch. You are quite right in saying that a person is not normally seized of anything less than a free-hold interest and the substituted wording provided by you is entirely acceptable. Likewise, we agree with the suggested use of an assignment procedure rather than a declaration of trust in cases where the lessee is not a U. S. citizen and hereby approve this device.
